

SEPTEMBER

CITY CLUB AT DE ROSSET

So Long Summer... September's Here!

A Fresh Look for Fall

Out with the old and in with the new! Scheduled to undergo renovations this month, the City Club will soon flaunt new furnishings for fall.

We are delighted to be working with McKenzie Baker Interiors on the remodel, and look forward to showing off the newly designed Main Dining Room, Sun Porch, Parlor, and Salon.

Without giving away too much detail, the completion date is set for November 2010, and you can expect to see new colors, window treatments that will showcase the architectural details of the house, and new dining chairs.

If you haven't already noticed, the inside of the Club isn't the only area getting a facelift.

Along with the dining areas, the house's exterior will be getting an update as well. In fact, we've already started by replacing the front railing and historic newels/posts along the entranceway, and upon completion, you'll also see a fresh coat of paint.

This is all we're revealing for now, so if you want to see what all the fuss is about, visit us soon! Besides, you won't want to miss the spectacular Italian-themed events taking place this month. Arrivederci... for now. We hope to see you soon!

City Club Member Profile

Getting to Know Your Fellow Members

September's featured member is Kristi Reeves, of McKenzie Baker Interiors. A City Club member since June, Kristi was born in California, raised in Greensboro, and has been a resident of Wilmington for the past fifteen years. Vacationing in Topsail Beach as a child, she fell in love with coastal Carolina, and is now happy to call it home.

As the daughter of an art teacher, it's no surprise that Kristi would one day find herself also in working in the creative world. With a Bachelor of Science degree in Textile Marketing and Merchandising from the University of North Carolina at Greensboro, Kristi spent two years working in the fashion world with designer Ralph Lauren, before joining Reeds Jewelers as a buyer for their branded lines, such as David Yurman, Scott Kay and Tacori.

At McKenzie Baker Interiors, Kristi's talent and knowledge of textiles, merchandising and fashion is put to work every day, by helping her clients bring *their* vision for their home to life. Currently, Kristi and her team are busy creating a new look for the City Club, and look forward to showing it off before the holidays.

When she's not busy in the studio, you might find Kristi out on the water. Truth be told, she's a big fan of big-game fishing, and has competed in the Bald Head Island Rodeo and Hatteras Marlin tournament. We think it's only fitting that she has a Yorkie named Ballyhoo!

After living in Pender county for the last 14 years, Kristi now enjoys the downtown life, and looks forward to many more years in the area. For information on Kristi Reeves & McKenzie Baker Interiors, visit www.mckenziebakerinteriors.com.
